

Physics 4th Period

Plan for the Week of April 20th

Monday

Do this review worksheet for your test on Wednesday. Please make a copy of it before adding in any of your own answers.

Tuesday

Study for your test.

Wednesday

Test on circuits. The test will be available from 11am to 1pm. You will have 1 hour to take the test. If you did not score as well as you hoped you may send me a picture of the work you did for each part and I will see about adjusting your score. You will only get one attempt on the test and always remember, honesty is the best policy.

Thursday

Answer the following question:

https://docs.google.com/forms/d/e/1FAIpQLSe7HwiQdUIhV21F0x3TarAF7SikTej2lolX07rWaj9iTzUvHQ/viewform?usp=sf_link

Friday

Choose any famous bridge from around the world and research it. Present your findings in a google doc shared with me. It should be about 1 page, double spaced.
