Thursday

May 7th - 356 years ago Louis XIV began construction on the Palace of Versailles. It is where the treaty was signed to end WWI. It is still a pretty impressive structure but a lot of it has been rebuilt or recreated because France is basically a model on how to surrender to invading forces. But I digress. Here is your last assignment:

Friday

It has been a pleasure having all of you in class this year. I wish we could have ended in better circumstances. For the juniors, enjoy the summer and I am looking forward to seeing you in the fall. For the seniors, Happy Graduation! I wish you all the very best in going forward. You are all very prepared and can do anything you set your minds toward. I am here to help in any way I can being just an email away. Good luck to all of you. I will miss you. Most of you. OK, some of you. Well, let's just leave it at Goodbye and good luck.
